

Denise - Deus Salve Minha Pátria

tom:

C

Deus, salve minha pátria!

Dá-me um novo país!

Eu quero mais paz

Eu quero amor

Quero ver o povo

Feliz

Quero ver criança brincando

Percorrendo os campos em flor

Quero colher os frutos

Dessa terra feita de amor

Deus, olha para os famintos

Dá-lhes a água e o pão

E aos pobres favelados

Conceda nobre habitação

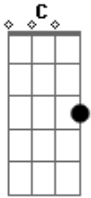

Quero ver a luz do Senhor

Dissipando a escuridão

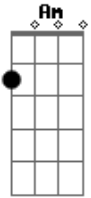

Que resplandeça forte

Iluminando os corações
