

Denise - Divino Companheiro

Tom: D

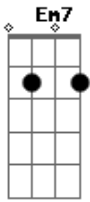

Divino companheiro no caminho
 Tua presença sinto logo ao transitar
 E já dissipaste toda sombra
 Já tenho luz
 A luz bendita do amor
 Fica Senhor, já se faz tarde

Tens meu coração para pousar
 Faz em mim morada permanente
 Fica Senhor, fica Senhor
 Meu Salvador
 A sombra da noite se aproxima
 E nela o tentador vai chegar
 Não, não me deixe só no caminho
 Ajuda-me, ajuda-me, até chegar
