

Denison Witmer - I Tried To Make You Smile

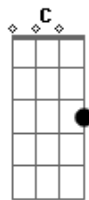

Tom: C

(C Em C Em)

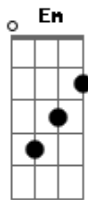

C Em
In the voice of Stevie Nicks I feel young
And I become confused
C
Listening back to Fleetwood Mac
Em
And listen back to careful thoughts of you
Dm7 G
I don't want to lose your friendship now
C D Am7
And I've been feeling insecure
Dm7 G
Maybe we just need some time apart
C D Am7
Everybody does for sure
Dm7 G C
Can you see how I tried to make you smile?

C
I've always known that I can't change my past
Em
But didnt know that I changed for the best
C Em
Your responsible for what happens to you now
The choice of what comes next.
Dm7 G
So I'm not gonna say I've failed us both
C D Am7
I never thought that way of you
Dm7 G
Maybe we just need some time apart
C D Am7
And I dont know what else to do
Dm7 G C
Was it wrong how I tried to make you mine?
