Tom: Ab

(forma dos acordes no tom de G )

Capostrate na 1ª casa

Intro: Am C Dm F E  
Am C Dm F E

Fuck you

I'm a mess  
But I'd never feel ashamed

You got a fucking problem?  
Baby this is who I am

I know that I'm the only one that you can ever blame

But I just won't take it on me

Three weeks in a row  
But we've never left the bed

You used to call me playa  
Used to say that I pretend

But you never really knew that I have meant what I have said

It's time for you to get the hell away from my head

[Refrão]

Baby I'm not

I'm not the reason that you walk away

Baby I'm not

I'm not the reason baby

I'm not the reason

Take all your bags and get the hell away

Baby I'm not

I'm not the reason baby

I'm not the reason

I'm not the reason that you walk away

Baby I'm not

I'm not the reason baby

I'm not the reason

Take all your bags and get the hell away

Baby I'm not

I'm not the reason baby

I'm not the reason

( Am C Dm F E )

I took the wrong way out  
As the motherfuckin song

I'm trying to get you out of

Where you think that you belong

I know that you won't ever really say that you were wrong

But I just couldn't take it on me

Breakdown, tears fall, three weeks  
And I'm gone

I'm like a hurricane and that's the reason I'm alone

I touch and I destroy that's why I'm living on my own

It's time for me to stop

Cause I'm hurting you girl

[Refrão]
