

# Dennis Lloyd - Aura

Tom: Db

m  
Intro: Dbm E

Oh, when we fuck  
Oh, when we fuck

Dbm E  
Oh, when we fuck  
Oh, when we fuck

[Primeira Parte]

I gave you everything  
You gave me nothing for what I have done  
I gave you everything  
You gave me reasons, oh, baby, I'm done  
You had no aura, I had no wings  
You had your troubles and I had my things  
I wrote you a letter, "Dear future wife  
You brought the emptiness into my life"

[Pré-Refrão]

I'm on my own, I'm better alone  
And now that you're gone, yeah, I feel alive  
I'm on my own, I'm better alone  
And now that you're gone, yeah, I feel alive

[Refrão]

When you hold me like that, when you touch me like that  
When we fuck, oh, when we fuck  
Well, I'm burning myself and I'm hurting myself  
When we fuck, oh, when we fuck  
( Dbm E Gbm Ab )  
( Dbm E )

[Ponte]

Oh, when we fuck  
Oh, when we fuck

[Pré-Refrão]

I'm on my own, I'm better alone  
And now that you're gone, yeah, I feel alive  
I'm on my own, I'm better alone  
And now that you're gone, yeah, I feel alive

[Refrão]

When you hold me like that, when you touch me like that  
When we fuck, oh, when we fuck  
Well, I'm burning myself and I'm hurting myself  
When we fuck, oh, when we fuck  
I'm on my own, I'm better alone  
And now that you're gone, yeah, I feel alive  
I'm on my own, I'm better alone  
And now that you're gone, yeah, I feel alive
