## **Dennis Lloyd - Think About It**

Ebm Tom: No no no no (no no no no) Intro: Abm No no no no (no no no) Abm Ebm No no no no (no no no) Ebm Don't think about it, think about it Abm Abm Turn around, turn around Fuck the world I'm alive Ebm And I won't go down Look around yourself and think about it, think about it Ebm Think about it, think about it Abm Pack your bags, get a flight to the 'nowhere land' Abm Turn around, turn around Ebm Don't think about it, think about it Ebm Abm All the motherfucking haters trying to bring you down Abm Fbm Don't think about them think about me Ebm Think about it, think about it Abm Do you wanna live your life in their lonely way? Ebm [Refrão] Think about it, think about it Abm [Refrão] No no no no (no no no) Ebm Abm

No no no no (no no no)

## Acordes

Put your little middle finger in the air right now! Look around yourself don't think about them, think about me Chasing ghosts all your life wouldn't bring the back

No no no no (no no no)
