

Denyse Silva - Uma Palavra de Esperança

Tom: **A**
Intro: **G Em C Am D**

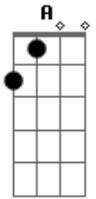

G **Em**
As vezes olhamos, pra nossa vida
C **Am** **D**
E parece que nós somos como árvores

C **Am**
Que como no verão, as folhas secam
G **D**

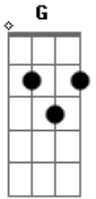

Pra que no outono elas possam cair
C **Am**
E no inverno a tristeza te segue
G
Mas é preciso, porque no primavera
D
É tempo de florir!

C **Am**
Há esperança quando ouvimos de Senhor
G **D**
Você vai conseguir, só precisa ter fé
