 All the night refused tomorrow dancing with a distant friend

B A B A
 Filming and screening, I picture the scene
 B D A G D A
 Filming and dreaming, dreaming of me yah

And so we left understanding, clean cut songs? were sounding fast
 I talked of sad I talked of war I laughed and climbed the rising past
 Filming and screening, I picture the scene
 Filming and dreaming, dreaming of me yah

Quickly I remember...before
 Timing reason understand like association whore
