 All the night refused tomorrow dancing with a distant friend

 Filming and dreaming, dreaming of me yah

And so we left understanding, clean cut songs? were sounding fast  
 I talked of sad I talked of war I laughed and climbed the rising past  
 Filming and screening, I picture the scene  
 Filming and dreaming, dreaming of me yah

Quickly I remember...before  
 Timing reason understand like association whore  
 Filming and screening, I picture the scene  
 Filming and dreaming, dreaming of me yah
