

Depeche Mode - Get Right With Me

Tom: C

I will have faith in man
 That is hard to understand
 Show some humility
 You have the ability
 Get right with me

Friends, if you've lost your way
 You will find it again some day
 Come down from your pedestals
 And open your mouths that's all
 Get right with me

Get right with me

Life is such a short thing
 That I cannot comprehend
 But if this life were a bought thing
 There are ways I know we'd mend

People, take my advice
 Already told you once, once or twice
 Don't waste your energy
 Making apologies
 Get right with me

Acordes
