

# Depeche Mode - Goodbye

Tom: C

(Toca com dedilhado)

Intro: Am (4x)

Am  
It was you that took my soul  
And threw it in the fire  
And tamed it in the rapture  
And filled me with desire

G  
Now I'm pure  
E  
Now I'm clean  
G A Am  
I feel cured and serene in you

Am  
There is no denying  
how I have been changed  
You won't hear me crying  
Now misery is strange

G  
I can dream  
E  
I can fly  
G A Am

Now it seems I get by with you

F C D Am  
Good-goodbye, pain  
F C D Am  
Good-goodbye again

Am  
I was always looking, looking for someone  
Someone to stick my hook in  
And pull it out and run

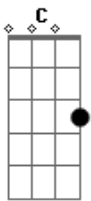

G E  
Now I'm caught on your line  
G A Am  
All my thoughts are entwined in you

F C D Am  
Good-goodbye, pain  
F C D Am  
Good-goodbye again

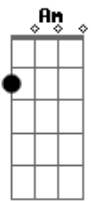

Am  
If you see me walking  
To the golden gates  
Then turn around start talking  
Stop and hesitate

G E  
I'll be waiting up there  
G A  
With my fate in the air  
Am  
For you
