I Feel You - Depeche Mode

Tom: A

m

Am

I feel you, your sun it shines  
I feel you, within my mind

You take me there, You take me where, The kingdom comes  
You take me to, And lead me through, Babylon

This is the morning of our love  
It's just the dawning of our love

Am

I feel you, your heart, it sings  
I feel you, the joy it brings

Where heaven waits, those golden gates, and back again  
You take me to, you lead me through oblivion

This is the morning of our love  
It's just the dawning of our love

I feel you, Your precious soul, And I am whole  
I feel you, Your rising sun (my kingdom comes) - My kingdom comes

(No chords or Am if you prefer)  
I feel you, each move you make  
I feel you, each breath you take

Where angels sing and spread their wings my love's on high  
You take me home to glory's throne by and by

This is the morning of our love  
It's just the dawning of our love  
This is the morning of our love  
It's just the dawning of our love
