

Depeche Mode - In Chains

Tom: C

(intro) Em C

The way you move

Has got me yearning

The way you move

Has left me burning

I know you know what you're doing to me

I know my hands will never be free

I know what it's like to be

In chains

The way you move

Is meant to haunt me

The way you move

To tempt and taunt me

I know you knew on the day you were born

I know somehow I should've been warned

I know I walk every midnight to dawn

In Chains

In chains, I'm in chains

In chains, I'm in chains

You've got me dying for you

Its you that I'm living through

You've got me praying to you

Saying to you anything you want me to

You've got me reaching for you

My souls beseeching me too

You've got me singing to you

Bringing to you anything you ask me to

The way you move

Is mesmerizing

The way you move

Is hypnotizing

I know I crumble when you are around

Start to mumble a bit of a false sound

Straggle, stumble, shackled and bound

In chains

In chains, I'm in chains

In chains, I'm in chains

You've got me dying for you

Its you that I'm living through

You've got me praying to you

Saying to you anything you want me to

You've got me reaching for you

My souls beseeching me too

You've got me singing to you

Bringing to you anything you ask me to

I'm in chains

In chains, I'm in chains

In chains, I'm in chains

In chains, I'm in chains
