

Depeche Mode - Perfect

Tom: E

On another world
By another star
At another place and time
In another speed of consciousness
In another state of mind
Everything was almost perfect
Everything fell into place,
The jury reached a different verdict
Before the judge dismissed the case.

In a parallel universe
That's happening right now
Things between us must be worse
But it's hard to see just how.
Everything could have been perfect
Everything in the right place

Then I wouldn't have to play the suspect
Accused, abandoned and disgraced

I didn't choose,
I didn't pull the trigger
It wasn't me
I'm just a plain and simple singer
I heard the sound
I turned my head around
To watch our love shot down

In another lonely universe
We're lying side by side
Where no one's hurt and no one's cursed
And no one needs to hide

Everything is almost perfect
Everything is almost right
There are never any conflicts
There are never any fights!
