

Depeche Mode - Perfect

Tom: E

On another world
 By another star
 At another place and time
 In another speed of consciousness
 In another state of mind
 Everything was almost perfect
 Everything fell into place,
 The jury reached a different verdict
 Before the judge dismissed the case.

In a parallel universe
 That's happening right now
 Things between us must be worse
 But it's hard to see just how.
 Everything could have been perfect
 Everything in the right place

Then I wouldn't have to play the suspect
 Accused, abandoned and disgraced

I didn't choose,
 I didn't pull the trigger
 It wasn't me
 I'm just a plain and simple singer
 I heard the sound
 I turned my head around
 To watch our love shot down

In another lonely universe
 We're lying side by side
 Where no one's hurt and no one's cursed
 And no one needs to hide

Everything is almost perfect
 Everything is almost right
 There are never any conflicts
 There are never any fights!
