

# Depeche Mode - Perfect

Tom: E

On another world  
 By another star  
 At another place and time  
 In another speed of consciousness  
 In another state of mind  
 Everything was almost perfect  
 Everything fell into place,  
 The jury reached a different verdict  
 Before the judge dismissed the case.

In a parallel universe  
 That's happening right now  
 Things between us must be worse  
 But it's hard to see just how.  
 Everything could have been perfect  
 Everything in the right place

Then I wouldn't have to play the suspect  
 Accused, abandoned and disgraced

I didn't choose,  
 I didn't pull the trigger  
 It wasn't me  
 I'm just a plain and simple singer  
 I heard the sound  
 I turned my head around  
 To watch our love shot down

In another lonely universe  
 We're lying side by side  
 Where no one's hurt and no one's cursed  
 And no one needs to hide

Everything is almost perfect  
 Everything is almost right  
 There are never any conflicts  
 There are never any fights!
