

# Depeche Mode - Precious Live

Tom: **G**

Here is how Martin Gore Played it

Use Standard tuning.

Verse

Other Verse Part  
Optional (If 2 Guitars), otherwise the keyboard does this.  
(On the 5th time Martin plays the verse, this comes in)

Chorus  
(it may not sound right to you, this is because Andrew Fletcher and the other keyboard are making the same sounds, which are louder than his guitar

because he is only playing 1  
at a time, rather than a chord)

Outro (Play couple of times)

Thats all there is to it This the order you play the song
