

Depeche Mode - Somebody

Tom: G

Estrofe 1:

I want somebody to share
 Share the rest of my life
 Share my innermost thoughts
 Know my intimate details
 Someone who'll stand by my side
 And give me support
 And in return
 She'll get my support

She will listen to me
 When I want to speak
 About the world we live in
 And life in general
 Though my views may be wrong
 They may even be perverted
 She'll hear me out
 And won't easily be converted

To my way of thinking
 In fact she'll often disagree
 But at the end of it all
 She will understand me
 Aah

Instrumental 2x: G C D

Estrofe 2:

I want somebody who cares
 For me passionately
 With every thought and
 With every breath
 Someone who'll help me see things
 In a different light
 All the things I detest
 I will almost like

I don't want to be tied
 To anyone's strings
 I'm carefully trying to steer clear of
 Those things
 But when I'm asleep
 I want somebody
 Who will put their arms around me
 And kiss me tenderly
 Though things like this
 Make me sick
 In a case like this
 I'll get away with it
 Aah

Instrumental 4x: G C D
 Uh? Ah?

Fim: G
 Ah?

Acordes
