

# Depeche Mode - Sun The Rainfall

Tom: C

Em Someone will call G  
 Am Something will fall  
 C And smash on the floor

Without reading the text  
 Know what comes next  
 Seen it before

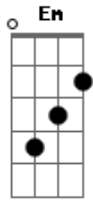

And it's painful

G Things must change  
 Bm We must rearrange them G  
 Em Or we'll have to estrange them Am  
 Em All that I'm saying  
 G The game's not worth playing  
 Am C Over and over again
