

Depeche Mode - Sun The Rainfall

Tom: C

Em
Someone will call G
Something will fall Am
And smash on the floor C

Without reading the text
Know what comes next
Seen it before

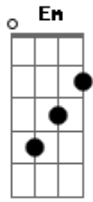

And it's painful

Things must change G
We must rearrange them Bm G
Or we'll have to estrange them Em C Am
All that I'm saying Em
The game's not worth playing G
Over and over again Am C
