

# Depeche Mode - Sun The Rainfall

Tom: C

Em  
Someone will call G  
Something will fall Am  
And smash on the floor C

Without reading the text  
Know what comes next  
Seen it before

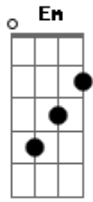

And it's painful

Things must change G  
We must rearrange them Bm G  
Or we'll have to estrange them Em C Am  
All that I'm saying Em  
The game's not worth playing G  
Over and over again Am C
