

Depeche Mode - Sun The Rainfall

Tom: C

Em Someone will call G
 Am Something will fall
 C And smash on the floor

Without reading the text
 Know what comes next
 Seen it before

And it's painful

G Things must change
 Bm We must rearrange them G
 Em Or we'll have to estrange them Am
 Em All that I'm saying
 G The game's not worth playing
 Am C Over and over again

Acordes
