

Depeche Mode - Useless

Tom: Gb

Ebm Gb B
Well it's about time
Ebm Gb B
It's beginning to hurt
Ebm Gb B
Time you made up your mind
Ebm Gb B
Just what is it all worth

Bbm B
All my useless advice
Bbm B
All my hanging around
Bbm B
All your cutting down to size
Db B Bbm
All my bringing you down

Ebm Gb B
Watch the clock on the wall
Ebm Gb B
Feel the slowing of time
Ebm Gb B
Hear a voice in the hall
Ebm Gb B
Echoing in my mind

Bbm B
All your stupid ideals

Bbm B
You've got your head in the clouds
Bbm B
You should see how it feels
Db B Bbm
With your feet on the ground

Ebm Gb B
Here I stand the accused
Ebm Gb B
With your fist in my face
Ebm Gb B
Feeling tired and bruised
Ebm Gb B
With the bitterest taste

Bbm B
All my useless advice
Bbm B
All my hanging around
Bbm B
All your cutting down to size
Db B
All my bringing you down

Bbm B
All your stupid ideals
Bbm B
You've got your head in the clouds
Bbm B
You should see how it feels
Db B Bbm
With your feet on the ground
