

Derik Fein - Shadow

tom:

Bbm

You and me, we go way back
 Used to be crazy and stupid in love
 Memories, they all fade to black
 Love you much but my hope is collecting dust

I tried to be all the things you need
 But like a shark, you preyed on me
 Wanted some space so I set you free
 Now there's nothing left to give

I'm just a shadow from the dark shades
 On your window when you're lonely
 I'm just a bottle full of whiskey that refills you when you're
 Empty
 I've been here before
 I can't love you anymore, anymore
 (I can't love you, baby)

 How did we move so far apart?
 Suddenly you pulled the rug
 They don't sell the shit I need to mend my broken heart
 Love you much but my hope is collecting dust

I tried to be all the things you need
 But like a shark, you preyed on me
 Wanted some space so I set you free
 Now there's nothing left to give

I'm just a shadow from the dark shades
 On your window when you're lonely
 I'm just a bottle full of whiskey that refills you when you're
 Empty
 I've been here before
 I can't love you anymore, (I can't love you) anymore
 I can't love you, baby
