Bbm

Bbm Db Ebm Ab

You and me, we go way back

Bbm Db Ebm Ab

Used to be crazy and stupid in love

Bbm Db Ebm Ab

Memories, they all fade to black

Bbm Db Ebm Ab

Love you much but my hope is collecting dust

Bbm Db

I tried to be all the things you need

Ebm Ab

But like a shark, you preyed on me

Bbm Db

Wanted some space so I set you free

Ebm Ab

Now there's nothing left to give

Bbm Db

I'm just a shadow from the dark shades

Ebm Ab

On your window when you're lonely

Bbm Db Ebm

I'm just a bottle full of whiskey that refills you when you're

Ab

Empty

Bbm Db Ebm Ab

I've been here before

Bbm Db Ebm Ab

I can't love you anymore, anymore

Bbm Db Ebm Ab

(I can't love you, baby)

(Bbm Db Ebm Ab)

Bbm Db Ebm Ab

How did we move so far apart?

Bbm Db Ebm Ab

Suddenly you pulled the rug

Bbm Db Ebm Ab

They don't sell the shit I need to mend my broken heart

Bbm Db Ebm Ab

Love you much but my hope is collecting dust

Bbm Db

I tried to be all the things you need

Ebm Ab

But like a shark, you preyed on me

Bbm Db

Wanted some space so I set you free

Ebm Ab

Now there's nothing left to give

Bbm Db

I'm just a shadow from the dark shades

On your window when you're lonely
