

## **Derik Fein - Shadow**

```
Db Ebm
How did we move so far apart?
Bbm Db
Suddenly you pulled the rug
                               Ebm
                        Db
They don't sell the shit I need to mend my broken heart
                 Db
Love you much but my hope is collecting dust
            Bbm
I tried to be all the things you need
         Ebm
But like a shark, you preyed on me
         Bbm
Wanted some space so I set you free
 Fbm
Now there's nothing left to give
I'm just a shadow from the dark shades
    Ebm
                       Ab
On your window when you're lonely
        Bbm
                      Db
I'm just a bottle full of whiskey that refills you when you're
       Db
              Ebm Ab
I've been here before
Bbm Db Ebm
I can't love you anymore, (I can't love you) anymore
            Ebm Ab
  I can't love you, baby
[Final] Bbm Db Ebm Ab
