

Dermot Kennedy - Kiss Me

tom:
 Capotraste na 1ª casa
 Intro: D A Bm G

You could take a photo
 Eternalise this moment
 For the days when I don't believe
 When our love gets stolen
 'Cause there's no exception
 And I know time will take you far from me

[Pré-Refrão]

Let this night invade my lungs
 You're all I want to breathe
 Right beside the lake, I burn for you
 You burn for me

[Refrão]

So kiss me the way
 That you would
 If we die tonight
 And hold me the way
 That you would
 For the final time
 Whatever may come, somewhere deep inside
 There's always this version of you and I
 So kiss me the way
 That you would
 If we die tonight (if we die tonight)

Tell me all your secrets, all the darkest moments
 Oh, I promise they'll be safe with me
 We've all been broken
 There's no exception
 But you carry it so gracefully

[Pré-Refrão]

Let this night invade my lungs
 You're all I want to breathe
 Right beside the lake, I burn for you
 You burn for me

[Refrão]

So kiss me the way
 That you would
 If we die tonight
 And hold me the way
 That you would
 For the final time
 Whatever may come, somewhere deep inside
 There's always this version of you and I
 So kiss me the way
 That you would
 If we die tonight (if we die tonight)

(D A Bm G)
 (D A Bm G)

So I have this night in my lungs, you're all that I want to breath
 Right beside you down at the lake, I burn for you, you burn for me

[Refrão]

So kiss me the way
 That you would
 If we die tonight
 And hold me the way
 That you would
 For the final time
 Whatever may come, somewhere deep inside
 There's always this version of you and I
 So kiss me the way
 That you would
 If we die tonight (if we die tonight)
