

# Desavanço - Cotovelo

tom:

Dm

Dm

Bb

Tem dias que nada é diferente

E eu sigo aqui pecando sem saber

De pés descalços e coração na mão

Eu peço arrego de qualquer sentimento

Me fale como pode tanta gente

Falar pelos cotovelos

Talvez seja muita confiança em si

Ou segurança de menos

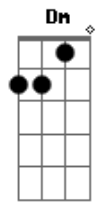

Segurança de menos

Cuida pra não deslizar

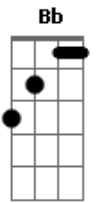

Meça o teu caminhar

[Final] Dm C Dm C Dm
