

Desavanço - Propaganda

tom:

Cm

Cm

Eb

A única certeza é a propaganda

A única vontade é (de) se esconder

Pra não escorregar nesse lamaçal de tédio

Pra não deixar tudo morrer

Eu vejo milhares de rostos nus

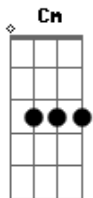

À luz do metrô de são paulo

E as paredes gritam em letras garrafais

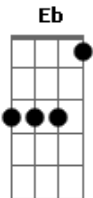

E pisca e pula e fode a retina

A música que toca é sempre a mesma

Mas quem sou eu pra julgar?

Eu não entendo esse regime

Toda cilada já se vestiu de ótima ideia

E apareceu sem ocê pedir

Caiu ingênuo, alvo de chacota

Invade a alma, os olhos deixam entrar

E atinge lá no fundo a maldade que eu não vi

Quero me exilar
