

Descendents - Good Good Things

tom:

Am
I know a place
C
Up in the air
Am
It's not very far
C
I've been there before
Am
I know a place
C
Cool and warm
Am
Cooling my blood
C
And warming my heart

F
So come on down, walk with me, and tell me i'm your man
Am
I only want to know a couple of things about you
C
Where were you when I was in so much trouble with myself?
F
And do you still believe in me like I believe?

C
I've been thinking good good things about you
C
Cool and warm, good good things about you
C
If you've been thinking good good things about me
F

So cool and warm when you put your arms around me

Am
All on my own
C
I know where to go
Am
Living the lie
C
In your eyes
Am
I know a place
C
Cool and warm
Am
Cooling my blood
C
Warming my heart

F
So come on down, walk with me, and tell me I'm your man
Am
Let's see if I can get it right with you this time around
C
I'm not afraid of losing you, my little girl
F
But do you still believe in me like I believe?

C
I've been thinking good good things about you
C
Cool and warm, good good things about you
C
If you've been thinking good good things about me
