

Descendents - Hope

Tom: C

Why cant you say
 you talk to me?
 You're already thinking about someone else.
 When he comes home you'll be in his arms and I'll be gone
 but I know,
 My day will come,
 I know someday I'll be the only one.
 So now you wait for his spark you know it'll turn you on.
 He's gonna make you feel the way you wanna feel.
 But when he starts to lie and he makes you cry you know
 I'll be there,
 My day will come,
 I know someday I'll be the only one.

 So you want perfection, I sense a self destruction,
 F C
 You don't know what you want it's gonna take you years to find
 out.
 Bm G
 I'm not giving up, And when you had enough,
 F C
 You'll take your bruised little head and come running back to
 me,
 You know that,
 I'm gonna be the only one.
