

# Descendents - Hope

Tom: C

Am  
Why cant you say  
C  
you talk to me?  
Am  
You're already thinking about someone else.  
F C  
When he comes home you'll be in his arms and I'll be gone  
Em  
but I know,  
C  
My day will come,  
Em C  
I know someday I'll be the only one.  
Am C  
So now you wait for his spark you know it'll turn you on.  
Am G  
He's gonna make you feel the way you wanna feel.  
F C  
But when he starts to lie and he makes you cry you know  
Em  
I'll be there,  
C  
My day will come,  
Em C  
I know someday I'll be the only one.

B

Am C  
Call me selfish call me what you like to think is right,  
Am G  
To want someone for all your own and not to share her love,  
F C  
'Cause I'll have my way you won't have a say anyway,

Am F C G  
'Cause I got you, you won't stand a chance.  
Am C  
So now you wait for his cock you know it'll turn you on.  
Am G  
He's gonna make you feel the way you wanna feel.  
F C  
But when he starts to lie and he makes you cry you know  
Em  
I'll be there,

(Chorus) 2x

My day will come,  
Em C  
I know someday I'll be the only one.

B

Bm G  
So you want perfection,I sense a self destruction,  
F C  
You don't know what you want it's gonna take you years to find  
out.  
Bm G  
I'm not giving up, And when you had enough,  
F C  
You'll take your bruised little head and come running back to  
me,  
Em  
You know that,

Bm C G  
I'm gonna be the only one.
