

# Devendra Banhart - Baby

Tom: C

(intro) C Dm

C  
Baby

I finally know what im going after <sup>Dm</sup>  
<sup>C</sup>  
 I'm learning to let in all the laughter  
 Holy Moley you're so funny <sup>C</sup>  
<sup>Dm</sup>  
 You Crack me up, you crack me up

C <sup>Dm</sup>  
 Look out for dreams that keep returning

'Cause magic ain't no hand-me-down yearning <sup>C</sup>  
<sup>Dm</sup>  
 You feel it, you want it, the way I want you babe

F <sup>C</sup>  
 Traveling by choo-choo train

F <sup>C</sup>  
 We know where we just don't know when

F <sup>C</sup> <sup>G</sup>  
 Like some everlasting onion that I love

C <sup>Dm</sup>  
 Never heard a better bad joke said outloud

You flip-flop and I wall out  
 Can you believe it  
 I can't believe it but it's true

You're giving eighty billion years of giggling  
 A whole new world to live in  
 But this one's real, this one's real, this one's real

F <sup>C</sup>  
 Like some hog tied Kangaroos

F <sup>C</sup>  
 You be one and I'll be one too

F <sup>C</sup> <sup>G</sup>  
 We play it goofy or we play it cool oh oh

( C Dm )

F <sup>C</sup>  
 Everything that happened

F <sup>C</sup>  
 You know it don't mean a thing to us

F <sup>C</sup>  
 'Cause so much is gonna happen

<sup>G</sup>  
 Because

C <sup>Dm</sup>  
 You showed me a sunset overflowing  
 But who cares where it's going  
 As long as you're next to me
