

Devendra Banhart - Baby

Tom: C

(intro) C Dm

C
Baby

I finally know what im going after ^{Dm}
I'm learning to let in all the laughter ^C
Holy Moley you're so funny ^{Dm}
You Crack me up, you crack me up

C ^{Dm}
Look out for dreams that keep returning

'Cause magic ain't no hand-me-down yearning ^C
You feel it, you want it, the way I want you babe ^{Dm}

F ^C
Traveling by choo-choo train

F ^C
We know where we just don't know when

F ^C ^G
Like some everlasting onion that I love

C ^{Dm}
Never heard a better bad joke said outloud

You flip-flop and I wall out
Can you believe it
I can't believe it but it's true

You're giving eighty billion years of giggling
A whole new world to live in
But this one's real, this one's real, this one's real

F ^C
Like some hog tied Kangaroos

F ^C
You be one and I'll be one too

F ^C ^G
We play it goofy or we play it cool oh oh

(C Dm)

F ^C
Everything that happened

F ^C
You know it don't mean a thing to us

F ^C
'Cause so much is gonna happen

^G
Because

C ^{Dm}
You showed me a sunset overflowing
But who cares where it's going
As long as you're next to me

Acordes
