Then it goes quiet and for the rest of the song he intersperses the picking of the above chords (A, Fm ) with small lead bits.

Be kind, baby be kind  
 Be kind, baby be kind  
 The light of this might  
 Align your legs to time

They give me up as I got mine  
 Oh and that's too many times  
 Baby be kind  
 And my eyelids are fine  
 Don't let your eyes pop out boy  
 You may drop your black candy apple  
 From the fright of having your eyes pop out  
 And someone else buys seeing double  
 So be kind baby be kind  
 Won't cha be kind baby be kind  
 And the way he drops the ants will cover him up  
 I said you'd get 'em back dear  
 Don't cha try to puff them all up  
 Baby dear don't cha try  
 To be kind baby be kind  
 You know the light of this whole world and mine  
 Aligns your legs to time  
 The lake it ain't your fire  
 And that is all I've had  
 Too many had done  
 These eyelids mine  
 Don't let your eyes pop out  
 You might drop them on your stove  
 And they'll wiggle on home

Transcribed by ear, all my own work.  
 Good Luck
