Then it goes quiet and for the rest of the song he intersperses the picking of the above chords (A, Fm) with small lead bits.

Be kind, baby be kind
 Be kind, baby be kind
 The light of this might
 Align your legs to time

They give me up as I got mine
 Oh and that's too many times
 Baby be kind
 And my eyelids are fine
 Don't let your eyes pop out boy
 You may drop your black candy apple
 From the fright of having your eyes pop out
 And someone else buys seeing double
 So be kind baby be kind
 Won't cha be kind baby be kind
 And the way he drops the ants will cover him up
 I said you'd get 'em back dear
 Don't cha try to puff them all up
 Baby dear don't cha try
 To be kind baby be kind
 You know the light of this whole world and mine
 Aligns your legs to time
 The lake it ain't your fire
 And that is all I've had
 Too many had done
 These eyelids mine
 Don't let your eyes pop out
 You might drop them on your stove
 And they'll wiggle on home

Transcribed by ear, all my own work.
 Good Luck
