And I lost my ways to my happy pen club
 And ended up where I still can't say but
 I lost my favorite pen on the way
 And I lost my friend but that couldn't be
 I lost the friend who sang with me
 I lost my son but that couldn't be
 I lost the son who sat on my knee
 And I lost my friend but that couldn't be
 I lost my man I let inside me
 And I lost my friend that my love and I shared
 While on my ways to the make believe cares
 Dadaladoo...

And I lost the tunes that stuck to my ears
 While on my ways to the make believe hears
 And I saw Sapiena she sang to the sea
 The only person left on the island was me
 Dadaladoo...

And I love the man who took care of me
 He owns the ship the Charles C. Leary
 Yes I love the man who took care of me
 He sails the world on the Charles C. Leary
