

Devendra Banhart - Heard Somebody Say

Tom: **D**

(**D7 Dbm7 Bm A**)

I heard somebody say
That the war ended today
But everyone knows it's goin' still

Our motherlands and motherseas
Here's what we believe
It's simple
We don't want to kill

I heard somebody say
That the war ended today

But everyone knows its goin' still

Our motherlands and motherseas
Here's what we believe
It's simple
We don't want to kill

Bm

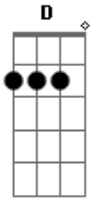

Oh, it's simple **A**
We don't want to kill

Bm

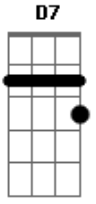

Oh, it's simple **A**
We don't want to kill
Oh, it's simple

(**A**)
