 Well I-I, I wanna be your lover  
 I wanna be your man  
 I want you to understand

And I-I, I wanna open your door  
 And love you 'til you're sore  
 That works for - wait a minute, wait a minute! yeaahhhh

D Em7 A  
 I wanna be your thing, your anything your everything oh yeahh

And I-I, I wanna fill your cup (cup cup cup)  
 Fill it up, fill it up to the brim with love  
 That works for - wait a minute, wait a minute!

 C D  
 I'm gonna make you wanna stay

I-I I wanna be your cow  
 Give you all the milk around town  
 Lemme see, lemme see you drink it down  
 I-I, I wanna be the pear tree  
 I want you to climb all over me  
 Try my fruit and taste my seed

Climb right on me, lay it on me  
 C-climb right on me, l-lay it on me!

Just let my do my thing  
 Until you start to sing  
 I'm going down ya all night long  
 I'm gonna build a bond  
 I'm pullin' out my wand  
 Feels so right it can't be wrong!

Yeah!

Well I-I, I wanna be your lover  
 I wanna be your man  
 I want you to understand

And I-I, I wanna be you lover baby  
 I wanna be your girl  
 Blow a kiss and change the world, yeah

We're gonna make it through  
 You got me and I got you  
 Your bleedin' heart's at my command  
 If you don't love me to  
 Then bein' friends will do  
 Long as you let me in your bed!
