Well I-I, I wanna be your lover  
I wanna be your man  
I want you to understand

And I-I, I wanna open your door  
And love you 'til you're sore  
That works for - wait a minute, wait a minute! yeaahhhh

D Em7 A  
I wanna be your thing, your anything your everything oh yeahh

And I-I, I wanna fill your cup (cup cup cup)  
Fill it up, fill it up to the brim with love  
That works for - wait a minute, wait a minute!

C D  
I'm gonna make you wanna stay

I-I I wanna be your cow  
Give you all the milk around town  
Lemme see, lemme see you drink it down  
I-I, I wanna be the pear tree  
I want you to climb all over me  
Try my fruit and taste my seed

Climb right on me, lay it on me  
C-climb right on me, l-lay it on me!

Just let my do my thing  
Until you start to sing  
I'm going down ya all night long  
I'm gonna build a bond  
I'm pullin' out my wand  
Feels so right it can't be wrong!

Yeah!

Well I-I, I wanna be your lover  
I wanna be your man  
I want you to understand

And I-I, I wanna be you lover baby  
I wanna be your girl  
Blow a kiss and change the world, yeah

We're gonna make it through  
You got me and I got you  
Your bleedin' heart's at my command  
If you don't love me to  
Then bein' friends will do  
Long as you let me in your bed!
