

Devendra Banhart - Memorial

Tom: A

I wish you had been at your memorial **Bm**
 Seeing someone proposing on stage **A**
 I couldn't get through my song for you **Bm**
 When it came to saying your name **A**
 I can still see the room at the hospital **Bm**
 Pretty, painted tile **A**
 I can still see your skin turning purple **Bm**
 Milly of the Nile **A E**

Gbm
 Can you hear me?
 Did you mean it?
Gbm
 Did you plan it out?
 Or was it an accident?

A Bm
 Time, time, up and down the blue screen
 It's dawn and I'm insane **A**
 Love's just a word and not what the word means **Bm**
 But I'll say it just the same **A**
 Talking to an entity **Bm**
 Made of endless night **A**
 I dream in TV dialogue **Bm**
 A world of shadow and light **A E**

Gbm
 I know it don't work that way
 But maybe you'll come back some day

Gbm
 I know it don't work like that
 But maybe you can take it back

(**A Bm D A**)
 (**A Bm D A**)
 (**E**)

A Bm
 Now that there's no need to say a word
 Can I still make amends? **A**

But silence, the only kindness I heard **Bm**
 Forgiveness, the only revenge **A**

Meeting all of the people **Bm**
 I've heard of from your past **D A**

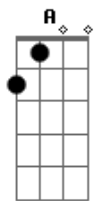

Reading through all of your letters **Bm**
 Looking for your love **A**

(**E**)

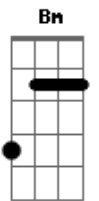

Gbm
 You told me that love
 Is when someone asks you **E**
 "Please leave me alone" **Gbm**
 And you really do **E**
 You looked into my eyes **Gbm**
 'Til I was your mother and son **E**
 I tried to look away **Gbm**
 But saw you in everyone **E**

A Bm
 I wish you had been at your memorial
 Seeing someone proposing on stage **D A**
