

# Devendra Banhart - Memorial

Tom: A

I wish you had been at your memorial **Bm**  
 Seeing someone proposing on stage  
 I couldn't get through my song for you  
 When it came to saying your name  
 I can still see the room at the hospital  
 Pretty, painted tile  
 I can still see your skin turning purple  
 Milly of the Nile

**Gbm**  
 Can you hear me?  
 Did you mean it?  
**Gbm**  
 Did you plan it out?  
 Or was it an accident?

Time, time, up and down the blue screen  
 It's dawn and I'm insane  
 Love's just a word and not what the word means  
 But I'll say it just the same  
 Talking to an entity  
 Made of endless night  
 I dream in TV dialogue  
 A world of shadow and light

**Gbm**  
 I know it don't work that way  
 But maybe you'll come back some day

**Gbm**  
 I know it don't work like that  
 But maybe you can take it back

( **A Bm D A** )  
 ( **A Bm D A** )  
 ( **E** )

Now that there's no need to say a word  
 Can I still make amends?

But silence, the only kindness I heard  
 Forgiveness, the only revenge

Meeting all of the people  
 I've heard of from your past

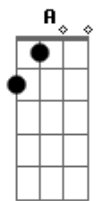

Reading through all of your letters  
 Looking for your love

( **E** )

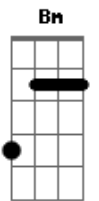

**Gbm**  
 You told me that love  
 Is when someone asks you  
 "Please leave me alone"  
 And you really do  
 You looked into my eyes  
 'Til I was your mother and son  
 I tried to look away  
 But saw you in everyone

**A Bm**  
 I wish you had been at your memorial  
**D A**  
 Seeing someone proposing on stage
