

Devendra Banhart - Queen Bee

Tom: C

(intro) C

Well I do like a certain girl
 She moves like a dancin' dream
 I saw everything I've seen
 and I meant everything I mean

Oh queen bee
 Always happy and free
 Oh queen bee
 Land by me

(C G C)

She's kissed everyone I've kissed
 She's missed everyone I've missed
 and her guess is always good as mine
 I'm blessed she treats me so damn kind

 (C G C)

She's grown every seed I've grown
 She's known everything I know
 and my dreams, they always coincide
 and our bows are always fully tied

Oh queen bee
 Always happy to see
 Oh queen bee
 Sting me
 Sting me

(C G C)
