

Devendra Banhart - Theme For a Taiwanese Woman In Lime Green

Tom: C

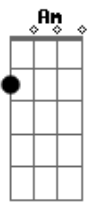

Intro: Am G7 C7M Am7 / Am G7 C7M Am

Am G7
Love, don't you worry
C7M Am
Even though it's time to go
Am G7
And while I know you've got to hurry
C7M Am
Do it slow
Am G7
I wanna love you once more
C7M Am
Even though we've never loved before
Am G7 C7M Am
I know so very little about so many things

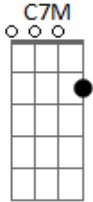

F7M Bm7
But a kiss begun
E7 Bb7 Am A7
Will never end
Am G7 C7M Am
There's no one in the world that I love
Am G7 C7M Am
And that no one is you
Intro: Am G7 C7M Am
Now I embody same song stuck on repeat
Am G7

Drunk mom in the lobby
C7M Am
Sad cop on the beat
Am G7
I wanna love you again
C7M Am
Even though we've yet to even meet
Am C7M
When I'm nearly home
Am C7M
I'm only home, When I'm nearly home
Am G7 C7M Am
Love's the only lesson everyone knows how to teach
Am G7 C7M Am
And love's only ever pretending to be out of reach
F7M Bm7 E7 Bb7 Am A7
You're nearly next to me
Am G7 C7M Am
There's no one in the world that I love
Am G7 C7M Am
And that no one is you
Am G7 C7M Am
I can't wait to close my mouth and not say a thing
Am G7 C7M Am
But love's making me sing
C7M
Takes a certain persuasion
C7M
For that romantic equation
