

Devendra Banhart - Won't You Come Over

Tom: **G**

I used to live **G** alone, but I found you, so **C** certain
I'm yours to take
Now I can't wait **G** for all the mistakes
We've yet to make

A Now shake it up, baby, twist and shout
A We're war-torn buildings, all bombed out

Pré-refrão:

C Love, not unlike
D I got drunk, pissin' the night away
C Love, not unlike

Refrão:

G Won't you come **C** over and love me?
G Won't you come **C** over again?
G Can you overcome the unnerving
G Ossifying body you're in?

I used to live alone just counting the pretty little flowers
on my dress

I can't wait to consecrate this wondrous mess

Words unforgotten 'til we sing again
Start at the bottom, and then we descend

Love, not unlike
Little joy in/around no more
Love, not unlike
I am woman, hear me roar
Love, not unlike
Larry Lemon, sanctified
Love, not unlike

REFRÃO

Won't you come over and love me?
Won't you come over again?
Help me overcome the unnerving
Ossifying body I'm in

G I ask all the time
G But you never tell me

What have I got to do, to make that man want me?

(Keeps playing **G** and **C**)

What have I got to do (Lovin' you is makin' it easy)
To make that man love me (Lovin' you is makin' it up)
What have I got to do (Lovin' you is makin' it easy)
To make that man want me? (Lovin' you is makin' it up)
What have I got to do (Lovin' you is makin' it easy)
To make that man love me (Lovin' you is makin' it up)
G What have I got to do?
