

# Devendra Banhart - Won't You Come Over

Tom: G

I used to live alone, but I found you, so certain  
 I'm yours to take  
 Now I can't wait for all the mistakes  
 We've yet to make

Now shake it up, baby, twist and shout  
 We're war-torn buildings, all bombed out

Pré-refrão:

Love, not unlike  
 I got drunk, pissin' the night away  
 Love, not unlike

Refrão:

Won't you come over and love me?  
 Won't you come over again?  
 Can you overcome the unnerving  
 Ossifying body you're in?

I used to live alone just counting the pretty little flowers  
 on my dress

I can't wait to consecrate this wondrous mess

Words unforgotten 'til we sing again  
 Start at the bottom, and then we descend

Love, not unlike  
 Little joy in/around no more  
 Love, not unlike  
 I am woman, hear me roar  
 Love, not unlike  
 Larry Lemon, sanctified  
 Love, not unlike

REFRÃO

Won't you come over and love me?  
 Won't you come over again?  
 Help me overcome the unnerving  
 Ossifying body I'm in

I ask all the time  
 But you never tell me  
 What have I got to do, to make that man want me?

(Keeps playing G and C )

What have I got to do (Lovin' you is makin' it easy)  
 To make that man love me (Lovin' you is makin' it up)  
 What have I got to do (Lovin' you is makin' it easy)  
 To make that man want me? (Lovin' you is makin' it up)  
 What have I got to do (Lovin' you is makin' it easy)  
 To make that man love me (Lovin' you is makin' it up)  
 What have I got to do?
