

Devil's Train - Forever

tom:

Intro: Em G A

Every day I'm happy you'll find
 Every single day you're deep in my mind
 In your lonely dream in my mind
 In your lonely dream I'm here
 For nothing you have to fear
 One day you will understand baby
 I'm not the person who will never - never bend
 So long you've been girl by my side
 And I want you to know
 I love you so

Chorus
 Forever! Want to have you by my side
 Together! Through the dark we find the light
 Forever! Give me wings and let me fly
 You're the passion of my life
 I need you to survive

Some days I'm standing in the rain
 And try remember our first days of love again
 Day by day my love is stronger for you baby

And I feel and know, I love you so
 Chorus
 Forever! Want to have you by my side
 Together! Through the dark we find the light
 Surrender! My heart and soul tonight
 I love you more than my life
 Forever now you know! Ohhh baby I love you so
