

Deyvison Andrade - A Solução É União

tom: G

É preciso sentir as virtudes
 Que existem no pensar
 Todo convívio fica objetivo
 Amor encontrar

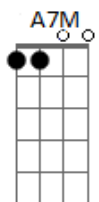

Então tá
 Traz esse sorriso
 Porque o tempo é agora
 O foco está em harmonizar

Isso é solução

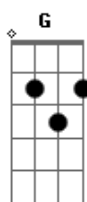

Em toda união
 Entre Atlético e Cruzeiro
 Religioso e ateu
 Negro Branco Colorido
 Classe x y z
 O melhor é viver

Vem viver direitos
 Sinta a inclusão
 O julgamento é um pressuposto em evolução
 União união
 Emoções e razões
 Em evolução
