

Dezarie - Don't Cry

tom:

Am
Know you that you all children of Jah!
Temple of the living God

Jah said
'I will dwell in them

I will be there while they will be my children
Fear not for the lamb has come'

Dm Don't cry, come dry your weary eyes
Just have faith and put trust in Jah far I
Don't cry, come dry your weary eyes
Just have faith and put trust in Jah far I

I've seen so many years
People crying silent tears
Wondering when life will get any better
Sensing that something is wrong
Don't know where you belong
The wrong seem right
And the right seem wrong
The world may seem upside-down (upside-down)
But don't let that slow you down (slow you down)
Be at good or hard time don't frown
You are a child of the Most High One (Most High One)
The Most High One!

Dm Don't cry, come dry your weary eyes

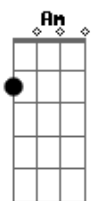

Just have faith and put trust in Jah far I
Don't cry, come dry your weary eyes
Just have faith and put trust in Jah far I

Dm Jah see you're laboring
Am Patience and strengthening
G And he hears your prayer when you call him (call him)
Dm They don't know how much you can bear
Am Just keep yourself prepared
G To face whatsoever situation that come
Dm You might be feeling alone (alone)
G Think you have no one to call on
Dm Anytime you feel that pain
G Take a deep breath and realize
F Where that breath came from

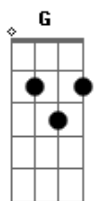

Dm Don't cry, come dry your weary eyes
Just have faith and put trust in Jah far I
Don't cry, come dry your weary eyes
Just have faith and put trust in Jah far I

Dm There's so much you want to know (want to know)
But the seals have been closed (we plant...)
There's no one that could open them (open them)
When he opens none can show (none can show)
When he shows none can obey (none can obey)
Tell on him conquering
Directing then you should not cry
Don't cry!
