

Dhema - Doce Tentação

tom:
G

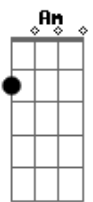

Doce tentação
Essa menina cheia de encantos
Que chegou por aqui
Deixou meu coração doido apaixonado
E eu não pude resistir
Quando ela sorriu já me seduziu
Eu só queria ficar ali
Lado a lado tudo bem

Sorrindo também que magia
Que alto astral
Parecia cena de cinema
E eu fazendo parte desse filme
Ela parecendo aquarela
Nessa tela que o amor pintou
Foi só a gente se olhar e ver
Que o amor estava acontecendo
Em nós não foi preciso ter que usar a voz
Só um sorriso e tudo foi tão lindo
